

GEOSCIENCES

OPEN ACCESS JOURNALS

2023

List compiled by Jan Szczepański

Collecting since 1998

Probably the most comprehensive and truly global directory of open access journals in the humanities and the social sciences, Geology and mathematics published since 1945

This bibliography is global and includes scholarly, academic, intellectual, cultural, peer-reviewed or just interesting titles in 29 subjects. Predatory titles are excluded.
